Great – once I have our travel details worked out I'll send a placeholder appointment to hold some time on our calendars. It will be myself and Lynn Juett from our Superfund Program. Our RA and Mary Peterson (Superfund Division Director) will also be in town for the SES meeting the day prior, and I believe they will be meeting with OSWER folks if possible.

Hi Charles/John –

A few of us from the West Lake team will be in DC the morning of June 9<sup>th</sup> and I was wondering if you might be available for a short meeting? Mainly want to catch up in person about the path forward for the Site if you have some time.

Thanks, Alyse
